

January 31, 2008

SUBJECT: Reference - VR Construction, USA, Inc.

TO: Whom It May Concern

Please note that Metals & Materials Engineers has utilized VR Construction services on a subcontractor basis for the past six (6) months and during that time MME has been pleased with the excellent level of services provided in the following areas:

1. Manhole Raising
2. Point Repair
3. General Construction services

Please feel free to contact me @ [bbennett@mmelab.com](mailto:bbennett@mmelab.com) if you have any further questions.

Sincerely,

*Barry Bennett*
